Annual Chili Cook-Out at Frazier's House — Sunday, 19 October

Our October meeting moves to Sunday afternoon, 19 October, 2pm for our "Chili Cook-out". Greg and Sally Frazier have again agreed to host this event at their "large compound".

Please mark your calendar:
Sunday, October 19th, 2:00pm.

Everyone is to bring their favorite chili which will be poured with everyone else's into the big "chili pot" hanging over a big camp fire.

Also bring "finger foods", lawn chairs, and drinks.

In addition to the chili, these items will be provided: hot dogs, crackers, cheese, condiments, tea,

lemonade, bottled water, and smores.

Activities include a jarts tournament 2:30pm, washers, fishing, kickball/football...and later after dark, a hayride. There will be a fire for those who enjoy sitting and socializing.

Last year, the first year for our Chili Cook-Out at the Frazier's, was very well attended. The

weather was perfect, food was great and all enjoyed the company and fellowship of other squadron members. It's a great time and one you won't want to miss.

Many thanks to Greg and Sally Frazier for providing the location at their home on Barton Road. See directions to the Frazier's house on the last page.

Commander's Corner Education Update

Squadron Members –

For those members that were unable to join us at the September dinner meeting, you missed out! Jerry Hay from Indiana

Waterways gave a very informative and entertaining presentation. Next up is our second annual chili cook-out at the Frazier's on October 19. This was a really fun event last year and we look forward to another great time this year. Please check out the enclosed article for more details.

grams.

Please attend so that your voice can be heard as we determine future programs and locations for our meetings.

*Yours in Safe Boating,
Cdr. Keith Gehlhausen - S*

The boating season is winding down so it's time to get back to education.

This Sunday, October 5th we will start the **Seamanship**

course with four Sea Scouts and several of their leaders. They will become new members in our squadron. Also if anyone is interested in the **Weather** class (we have two so far) please let me know ASAP as I will soon need to order the class materials and get the class started. This class has a lot of material to cover and takes approximately 12 weeks to complete.

I hope everyone has had a chance to enjoy the great fall weather boating so far, (with the exception of our last tropical storm). Hopefully, we should be getting some great fall colors soon and no place better to view them than being out on the water.

September speaker, Jerry Hay

HEY JERRY— YOU WERE A HIT!!

Jerry M. Hey, river rat turned author, was our speaker at our September meeting at Tumbleweed. Jerry is an excellent speaker who told many of his “river” stories.

Jerry has traveled many of the major rivers and written a guide for many including the Ohio River, White River, and now he’s working on the Illinois river. He said it takes several years to compile and check the information for each. In 1993, Jerry Traveled the Wabash River in 5 days.

Sold — Henry Graper is purchasing a book from Jerry Hay as Sally Frazier and Karen Rombauer look at others.

Jerry also brought his many books including one with many of his “river tales”. Of particular interest was the story of “Gilligan” the

Goose, who he saved from drowning after being entangled in fishing line. After a “fight” in the water he was

able to get the goose to shore. Long story short, Gilligan befriended Jerry and became a resident at his home for many years, returning each spring.

Author Jerry Hey stands next to a table of his many books as members Carolyn Nix and Gay Graper look at one of them.

After the meeting, many members purchased his books. One of his books, Beyond the Bridges is a collection of his “river stories”. For more information about Jerry and his books, go to his website.
